### SSC - K.K. Vidyalaya, Shirwade Wani, Nashik

Percentage: 83.20

May 2016 - June 2017

## Experience

### DataCause Analytics Pvt Ltd, Pune

July 2023 – Present

#### - Responsibilities:

- Transformed raw data into actionable insights using advanced analytics.
- Proficiently utilized Power BI, SQL, and Excel for data analysis and visualization.
- Developed interactive and visually appealing dashboards in Power BI to communicate key metrics.

- **Contact:** Sujit Kulkarni - hr@datacause.in

### Softcrowd Technology, Nashik

August 2021 - October 2021

- Contributed to C and C++ projects, playing a key role in software development and optimization.
- Assisted in various Software and Web Development projects, contributing to coding and implementation tasks.
- **Contact:** softcrowd.in

## HR Analytics Dashboard Project

**Problem:** Understand the problem, requirements, and collected data required to tackle the tasks.

#### Solution:

- Extracted and imported data from SQL servers to ensure a comprehensive dataset.
- Utilized key performance indicators (KPIs) and visual elements to construct a detailed report, offering a clear and visually appealing representation of the analyzed information.
